Installation Instructions

Mobile telephone cradle
Siemens S 75

GB

Validity

These installation instructions are valid for vehicles with a

- mobile phone fitting with interface (code 386) or
- Mercedes-Benz mobile phone (code 388) or
- Mercedes-Benz hands-free system for the multi-function steering wheel

in conjunction with a Siemens S 75 mobile telephone.

Parts included

- (1) Mobile telephone cradle

Notes

Please contact a qualified specialist workshop if you encounter difficulties when fitting the mobile telephone cradle.

Mercedes-Benz recommends that you use a Mercedes-Benz Service Centre for this purpose.

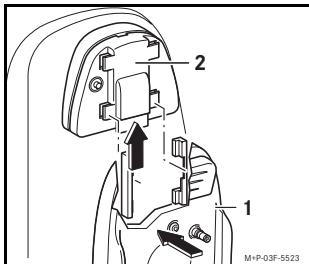

The manufacturer reserves the right to change technical details from those shown in the illustrations contained in these installation instructions.

These installation instructions also refer to the vehicle's Owner's Manual and the operating instructions of the mobile telephone. Please keep them handy for reference.

Fitting the mobile telephone cradle 2

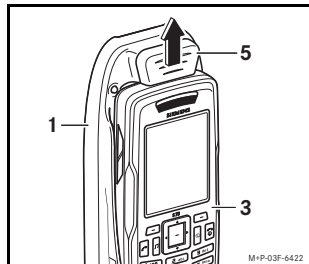

Press the cradle (1) into the catches of the bracket (2) and push it upwards until it audibly engages.

Inserting the mobile telephone

Press the mobile telephone (3) onto the connector (4) and engage the upper part in the cradle (1) as shown. The mobile telephone changes to hands-free mode and a message appears in the display of the mobile telephone (please refer to the operating instructions of the mobile telephone). If this is not the case, remove the mobile telephone and re-insert it.

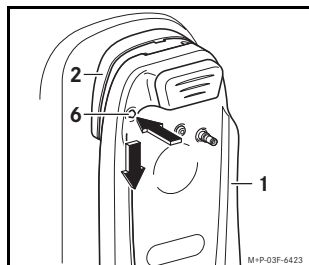

Removing the mobile telephone 3

Slide the locking tab (5) upwards and remove the mobile telephone (3) from the cradle (1).

Detaching the mobile telephone cradle

1. Remove the mobile telephone from the cradle (see above).

2. Press the release button (6), slide the cradle (1) downwards and remove it from the bracket (2).

Operating instructions 4

- Operation of the hands-free system via the multi-function steering wheel and how to set the run-on time are explained in the vehicle's Owner's Manual.
- Press the **+** button to display the name of the caller (depending on vehicle model).
- Press the **-** button to display the telephone number of the caller (depending on the vehicle model).
- Press the **+** or **-** buttons to adjust the volume during a telephone call.
