Fitting the mobile telephone cradle

Press the cradle (1) into the catches of the bracket (2) and push it upwards until it audibly engages.

Inserting the mobile telephone

Press the mobile telephone (3) onto the connector (4) and engage the upper part in the cradle (1) as shown.

Notes

The mobile telephone changes to hands-free mode and a message appears in the display of the mobile telephone (please refer to the operating instructions of the mobile telephone). If this is not the case, remove the mobile telephone (see below) and re-insert it.

If the telephone display ("Slider") is closed before the mobile telephone has changed to hands-free mode, the connection, if already established, will be interrupted.

Removing the mobile telephone

Slide the locking tab (5) upwards and remove the mobile telephone (3) from the cradle (1).

Detaching the mobile telephone cradle

1. Take the mobile telephone out of the cradle.

2. Press the release button (6), slide the cradle (1) downwards and remove it from the bracket (2).

Operating instructions

- Operation of the hands-free system via the multi-function steering wheel and how to set the run-on time are explained in the vehicle Owner's Manual.
- Press the **+** button to display the name of the caller (depending on vehicle model).
- Press the **-** button to display the telephone number of the caller (depending on the vehicle model).
- Press the **+** or **-** buttons to adjust the volume during a telephone call.
